

With a ONE button operation, this high-speed blender with lithium battery can crush your favourite fruits into a smoothie in under a minute! Easy to clean with no complicated blade structure. Designed to last for 10 continuous blends before charging using any kind of USB mode. The Personal Blender has multiple safety protection featuring auto power off when the lid is separated from the cup.

- Cordless and convenient for carrying
- USB power cord, suitable for charging at home or in the car
- Anti-slip jar sleeve and mat
- High grade stainless steel blade
- BPA Free

Introducing the new lightweight and portable solution to a healthy blend or juice. Have it anytime and anywhere... made FRESH!
