

Auto Rice Dispenser

Dispensing 150g (1 to 2 bowls) of rice with each light press of the dial, the Morphy Richards rice dispenser not only dispenses but also keeps your rice dry and sealed with its large 12 litre capacity and cover. Made from food grade ABS and PP plastic, this rice dispenser does not need AC power and only requires a 3V button battery to power the intelligent automatic timer to prompt a replenishment of rice every 21 days.

- Food grade housing and inner cavity with funnel design
- Transparent rice viewing window
- Rear wheel for easy mobility
- Anti-slip mat

Take the guess work out of measuring your rice portions whilst keeping it fresh at the same time
